What if I don't live near Hwy. 84 and want to participate in the art crawl?

No problem. We have artists who are participating and would like additional artists to join them at their site. We can assist you in finding a site – call us if you need assistance. Details regarding how you will be accommodated are between you and the site host. Set-up times are also determined by the site host.

How do I find additional artists to show at my site?

We suggest that you visit other art fairs and similar events to find artists with unique items that you would like at your site. It is the responsibility of the site host to find artists for their site. If artists contact Arts Off 84 looking for a site, we will contact site managers via email with the artists' information.

What if I only want to participate one day?

Arts Off 84 is a two-day event. In order to maintain the integrity of the event and avoid confusion to the public, everyone is required to participate both days.
